System Requirements For Yahoo FunChat:

Windows 7/8 Apple OSX 10.6.8 Vita-Not Playable Android 4.1 or newer Starting up the game will create a new game, so for the main play there is no need to have the game saved already. We have set it so that if the main game is saved, you can continue your progress. Mobile devices will start the game automatically, but for desktop users we recommend that you save the game in some other way. There will be no automatic saving. If you wish to
